

Declaration of compliance
FDA Regulation for
materials for food contact use

Product: H250/C

We confirm that the wetted parts of our instruments comply with the FDA regulations on materials and articles intended to come into contact with food.

The PTFE liner and float material complies to FDA CFR 21 §177.1550. Depending on the device version (process temperature) some ceramic wetted components are used that comply to FDA CPG 7117.06 and CPG 7117.07.
